

Code.Scripts.Components.
HealthComponent.HealPercentage

```
graph LR; A[Code.Scripts.Components.  
HealthComponent.HealPercentage] --> B[Code.Scripts.Components.  
HealthComponent.Heal]; B --> C[Code.Scripts.Components.  
HealthComponent.SetCurrentHp];
```

The diagram consists of three rectangular boxes arranged horizontally, connected by blue arrows pointing from left to right. The first box on the left has a gray background and contains the text 'Code.Scripts.Components.' on the first line and 'HealthComponent.HealPercentage' on the second line. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle has a white background and contains the text 'Code.Scripts.Components.' on the first line and 'HealthComponent.Heal' on the second line. Another blue arrow points from the right side of this box to the left side of the third box. The third box on the right has a white background and contains the text 'Code.Scripts.Components.' on the first line and 'HealthComponent.SetCurrentHp' on the second line.
