The diagram illustrates a code flow or dependency. On the left, two white rectangular boxes with black borders contain the following text: 'Code.Scripts.Managers.Player Manager.OnSaveDataLoaded' (top) and 'Code.Scripts.Managers.Player Manager.ResetMaxHealth' (bottom). On the right, a gray rectangular box with a black border contains the text: 'Code.Scripts.Components. HealthComponent.SetMaxHp'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that the two methods on the left interact with or call the method on the right.
